Attention all Parents: December 10th we will be hosting our 3rd annual Mini Olympics. The Mini Olympics is an event that we host every year designed specifically for our class kids. We are already starting to teach them the skills and routines they will need for this performance. Starting now through December the kids will be learning mini routines in their classes each week that they will get to show off during this event! The Mini Olympics is a lot of fun and we encourage parents to invite friends and family to come watch. This event is designed to give our class kids a taste of what our Team Kids get to experience each year during competition. Every child that registers will receive a 2011 Mini Olympics T-Shirt and a Medal during the Awards ceremony that takes place at the end of their session. As we get closer to the month of November more specific information will be provided such as Times and Cost. We will also start registration for this event in November.
